# *Chemistry the Catalyst for Industrial evolution, where elements merge to Spark Innovation and drive progress*

**Priyadarishini Chemicals** was established in 1997, has widespread market throughout India in manufacturing of Automobile and Industrial speciality chemicals. We work towards our mission and making our customer satisfied with all **PRICHEM** products. At **PRICHEM**, we have well trained Professional and Hitech R&D Labs for provide solution to customer needs.

All our products are tested at highly modernized testing laboratories before delivering to the customers which makes us premium on safety & welfare.

## **INDUSTRIES WHICH PRICHEM SERVE**

Agro farm, Dairy, ETP, Electroplating, Machinery manufacturers, Oil refiners, Paints, Precision component manufacturers, Poultry, Powder coating, Paper industry, Rubber industries, STP, Steel furniture & Sheet metal fabricators, Textiles, Water & Boiler treatment plants, Valve Industries, Aerospace, Mining, Railway, Shipping Industries, Automobile showroom & service centre, Hardware Items, and Tile showroom etc.,

## **METAL TREATMENT CHEMICALS**

Phosphating chemicals (Zinc, Manganese, Iron - Hot & Cold), 3 in 1 Chemicals (Degreasing, Derusting & Phosphating), Degreasing chemicals (Alkali & Solvent Based), Derusting & Descaling chemicals, Emulsion & Enamel Paint & Powder Coating Removers, Metal Cleaner (Alkali & Acidic), Pickling Inhibitors for all kind of acids, Rust preventive oils (Water & Oil based), SS Stain removers, Blackening salts, Rust converters, etc.,

## **VIBRO POLISHING CHEMICALS & MEDIAS**

We provide specially formulated chemicals to produce most superior finish with more competitive for Vibro Process.

### ● **Chemicals for**

Deburring, Descaling, Polishing, Surface smoothness, Preplating, Degreasing, Derusting, Ra-Value improvement, Edge reducing for all type of metals and its alloys etc.

### ● **Media & Dryer**

**PRICHEM** deals all type of Metal & Non-Metal Medias (Ceramic, Plastic & Steels), Dryer Corn cob (Different grit sizes), By analysing the need of customer, **PRICHEM** can provide specific media & chemicals.

### ● **Media Shape & Size**

Triangle, Cylindrical, Star, Ball, Ellipse, Tristar, Pyramid, Cone etc.,  
2mm to 30mm Dimensions.

## **RUST PREVENTIVE OILS (PRITOX)<sup>®</sup>**

The major issue in industrial sectors arise due to rust in the semi & fully machined components. At **PRICHEM**, we providing the best solution for rust remover & rust protection by understanding roots of rust causes.

- ◆ Water based rust remover ◆ Solvent based rust remover (Fe 26 Spray)
- ◆ Water based rust preventive Inhibitors ◆ Oil based rust preventives
- ◆ Dewatering oils ◆ Dry type rust preventive oils ◆ Silica Gel etc.,

## CAR CARE ELIXIRS

Tyre Polish, Car Shampoo, Ultra Foam Shampoo, Car Refreshner, Wind Shield Cleaner, Dash Board Cleaner, & Polish, Multi Cleaner Shampoo, Plastic & Leather Cleaner & Polish, Upholstery Cleaner, Brake fluids, Cleaning thinner, Fork oils, Heavy duty degreasers, Engine Oils & lubricants, Paint & Waterspot removers, Radiator Cleaner, Radiator coolant (**PRITOCOL**)<sup>®</sup>, Tar & Bug Remover, Ceramic Polish etc.,

## ALUMINIUM & ELECTROPLATING INDUSTRY CHEMICALS

Metal Cleaners, Metal salts, Acid Inhibitors, Aluminium degreasers, Brighteners, Deoxidizer, Chromatization & Passivation chemicals, Powder Coating Remover etc.,

## BOILER & WATER TREATMENT CHEMICALS

Alum, Antiscalants, Poly electrolyte (anionic & cationic), Descalers, Defoamers, Bioculture, Sodium Hypo, Activated carbon and Complete range of Cooling towers, TCCA 90%, Filters, hydrated Lime, Odour Controller, Color Removal, Jaggery (Solid & Powder), SMBS, Tech Urea, DAP, pH Booster, Heat exchangers, Boilers, Sewage treatment, Effluent treatment chemicals & Accessories (pH & TDS Meter).

## TEXTILE CHEMICALS & MAINTENANCE CHEMICALS

◆ Genset coolant, Industrial liquid soap, Oil & Lubricants, Paint removers, Crysol (CTC oil equivalent) Spindle oils, Cotton testing chemical, SU75%, SU60%, etc.,

### Cotton Spray or Mixing Oil BPC+ (Specially formulated Hitech Solution).

Better inter fiber cohesive forces, End breakage rate will be minimum, Dye absorption will be better in terms of colour strength value, Antistatic in nature due to moisture, Improvement in yarn realisation, Nature based substance without hazard products.

## METALLURGICAL LAB CONSUMABLES

**PRICHEM** offering complete set of solutions for Metallurgical labs which used in all types of Foundries, Heat treatment industries, College labs etc., Backlite powder, Cold setting compound, Cutting oils, Cutting wheels, Diamond lapping spray, Diamond paste, Emery sheets (all grades), Plastic granules, Polishing alumina powder, Polishing cloths, Silicon mould release spray etc.,

## DOMESTIC CHEMICALS

Flax (Tiles Cleaner), Paicor (Paint Remover), Floor Wash, Chimney Cleaner, Dish Wash, Hand Wash, Glass Cleaner, Car Shampoo, Ferrokare (Rust Remover), Toilet Cleaner, Radiwash (Radiator Cleaner), Pritocol (Radiator Coolant), Liquid Soap, Stain Remover, Granite & Marble Cleaner (Pebble), Bathroom Fitting Cleaner (Stain Azure), Fabric Whitener, laundry Liquid & Powder (Velvet), Fabric Conditioner (Faby), Room Freshener (Aroma), Odour Eliminator (Gardenia), Kitchen Cleaner (Mizzle), Hand Sanitizer, Disinfection Solution, Solar Panel Cleaner, White Phenyls, Distilled Water etc.,

Questoll, Soap Base, AOS, Alphox 200, Perfumes, Colour Granuales, Tinopal, Baking & Wasing Soda, Napthelene Ball etc.,

## SPECIALITY CHEMICALS

Powder Coating Remover, Beverage Bottle Cleaner, Glue & Sticker Removers, Epoxy Floor Cleaner, Drainage Block Cleaner, Engine Part Cleaners, Plating Removers, Pipe Line De-Scaling, PCB Cleaner etc.,

### Acids

Acetic acid, Acid slurry, AOS, Benzoic acid, **Boric acid**, **Chromic acid**, Citric acid (Commercial), **Citric acid monohydrate**, **HF Acid**, Hydrochloric acid, Nitric acid, Oxalic acid, **Phosphoric acid**, Sulphamic acid, Sulphuric acid, Tartaric acid etc.,

### Solvents

Acetone, Butyl acetate, DEG, DOP, Crysol (CTC oil equivalent), Ethyl acetate, **Glycerine**, IPA, M-Xylene, MEG, MIBK, MTO, **Petroleum Jelly**, **Toluene**, N- butanol, Iso butanol, Butyl cellosolve, PEG, etc.,

### Industrial Chemicals

Alum powder (Non-Ferric), Aluminium oxides(All grit sizes) Ammonium bifluoride, Ammonium chloride, Bleaching powder, Borax, Calcium carbonate (ACT & PPT), **Cupric Oxide**, **Copper Carbonate**, **Cupric Chloride**, **Sodium CMC**, Caustic soda (flakes, Pellets, Lyes), Copper sulphate, EDTA, Ferrous sulphate, Ferric chloride, Hydrated lime, **Lapping powders**, Lime, Magnesium sulphate, Melamine, Nickel chloride, Nickel nitrate, Nickel sulphate, Paraffin wax (Button type & Bar type), Poly aluminium chloride (PAC), Poly electrolyte (anionic & cationic), Silica gel (Indicative & Non Indicative Type), **SLS powder**, **SLES**, Sodium carbonate (Soda ash), Sodium benzonate, Sodium bi carbonate (Backing soda), Sodium bi sulphate, Sodium citrate, **Sodium di chromate**, Sodium gluconate, Sodium hydroxide (Pellets), Sodium meta bi sulphite, Sodium meta silicate, **Sodium nitrate**, Sodium nitrite, Sodium silicate, Sodium sulphate, Sodium thio sulphate, Sodium tri poly phosphate, Sodium hexa meta phosphate, Talc ( Soap stone powder), Tri sodium phosphate, Poly sorbate, Zinc oxide (Lead Free & white seal & Rubber grade), Zinc chloride, Free flow salt (Sodium Chloride), etc.,

### Lab Chemicals & Equipments

Lab Chemicals (Spectrum, Nice, Merck, Himedia, Qualikems), Glassware's (Borosil), Plastic ware (Polylab-Beakers, Flasks, Pipettes), Equipments & Instruments (Hanna, Deep Vision, REMI, El, Whatman, Eutech, and Metravi) etc.,

### Oils & Lubricants

Engine oil [20W40, 20W50 & 15W40], Gear oil [G90, G140, G220, G320], Hydraulic oil [H32, H46, H68, H220], Transformer oils, White oils, Rust preventive oils, Spindle oils, Cutting oils, Grease [MP3, High temperature Grease & Special Process Grease], Power transmission oils, Mineral oils, Quenching oils, Silicon oils etc.,

### Safety Items

Gloves (Nitrile Gloves, Cotton Gloves, High temperature Gloves, House Hold Gloves, Food Grade Gloves, PVC Gloves, Rubber Gloves, Baniyan Cloth Gloves, PU Coated Gloves, Leather Gloves, Finger Gloves Etc.,) Masks, Apron, Head Cover, Coverall, Shoes, Gum Boots, Helmets, Goggles etc.,
